## **Come and have FUN with your dog!**

- **Who can compete in a trial?** Any and all dogs that are 10 months or older on the day of their TOT or trial are eligible to compete. All dogs must have their current Rabies vaccination.
- **Do I need to register with PSD?** PSD registers dogs, not people. A \$30 registration fee is good for the lifetime of the dog and can be done instantly online.
- **What if I don't pass the TOT?** You can still play!! Dogs must pass a Target Odor Test (TOT) in order to compete in the Standard Division, however if you do not pass you are still allowed to enter the trial as FEO (For Exhibition Only) for the day.
- **My dog has a Nose Work title from a different organization; do I have to pass a TOT?** If you have already passed an odor test in another scent work organization you do not have to take the TOT. Dogs with an NW3, SDDA Excellent or UKC Level 5 title may skip the Novice level and start PSD at the Advanced level. Please send a copy of your test results to [info@performancescentdogs.com](mailto:info@performancescentdogs.com) in order to register.
- **Does my dog have to be in the car all day?** No, crating space will be available on the substantial porch, and you can hang out there also. However, if your dog is happier in the car that is okay too.
- **Can I watch other competitors?** Yes you can watch, either after you run or you can watch a different level compete.
- **Can my friend videotape my searches?** Yes! And you may post them anywhere you like.
- **Awards:** Rosette placement ribbons will be awarded for 1st-3rd place in Standard and Metallic division. Rosettes will be awarded for new class titles and level titles. Ribbons will be awarded for Q's in all classes, Standard and Metallic divisions, and TOTs.
- **Spectators** are invited to come and watch a PSD trial. However, because of tight space they will not be able to observe the Buildings search in this trial.

- **Fees:** Birch Anise and Clove TOT \$25.00 each, and each class offered is \$20.00.
- **To register your dogs:** Please visit [www.performancescentdogs.com](http://www.performancescentdogs.com) or mail your \$30.00 registration fee (per dog) payable to Performance Scent Dogs. Please include your information (Name, Address, Email, Phone) as well as your dog's information (Name, Breed, Date of Dog Birth.) **Performance Scent Dogs, Inc. PO Box 401026 Cambridge, MA 02140.**
- **To register for this trial,** complete the Entry form, sign the Release of Liability, and mail it to the Trial Secretary along with your **check made payable to Dog Blessed Training LLC**, or register online at [www.performancescentdogs.com](http://www.performancescentdogs.com). **Do not make checks payable to Performance Scent Dogs.** Entries will be taken on a first-received basis and must be received by noon on March 9th, 2018.

**Collars** - Any collar is allowed on the grounds except electric or scent-spraying collars. Only a leash attached to a flat or martingale collar, or attached to a dead ring or harness is permitted to be used. **NO TAGS allowed on collars while searching;** tags may, however, be attached to harnesses. All dogs must be leashed at all times except during an off-leash search.

**Crating** - Bring your own crate. Crating will be on the breezy, wrap-around porch.

**Parking** - The parking lot is paved.

**Food** - **There will be no onsite food available.** Please plan to bring your own food & drink.

**Bathrooms** - In the stand-alone building southeast of the house.

**Accessibility** - The building has four steps leading up to the front porch and six leading to the basement area. Some searches will be outside on pavement or rough ground.

**Dogs In Need of Space** - The site has plenty of parking and places to walk dogs at a distance of 10 feet or more. The entrance and exit areas are tight; expect dogs to be with their owners at times or on the way to or from searches. Volunteers will be onsite to help escort participants to and from search areas. Red bandanas are encouraged - please give all dogs space.

**Handler running multiple dogs** - A handler can run multiple dogs in TOTs at any trial. At this trial, a handler may run one dog in any of the classes at any level. A second dog may run in a different level or FEO.

**Volunteers** will help our trial run smoothly. We need Timers, Gate Stewards, Score runners, and others. **No experience required!** Volunteers get to run first in their class. Thanks in advance for your help!
