Who can compete in a trial? Any and all dogs that are 10 months or older, on the day of the trial or the Target Odor Test (TOT), are eligible to compete. All Dogs must have their current Rabies Vaccination and other vaccinations recommended by your veterinarian.

Do I Need to Register with PSD? PSD registers dogs not people. A \$30 registration fee is good for the lifetime of the dog and can be done instantly on-line.

What if I don't pass the TOT? You can still play!! Dogs must pass a Target Odor Test (TOT) in order to compete in the Standard Division, however if you do not pass you are still allowed to enter the trial as FEO (For Exhibition Only) for the day.

My dog has a Nose Work title from a different organization, do I have to pass a TOT? If you already have passed an odor test in another scent work organization, you do not have to take the TOT. Dogs with a NW3, SDDA Excellent or UKC Level 5 title may skip the Novice level and start PSD at the Advanced level. Please send a copy of your test results to info@performancescentdogs.com in order to register.

Can I watch other competitors? Yes you can watch, either after you run or you can watch a different level compete.

Can my friend videotape my searches? Yes! And you may post them anywhere you like.

Collars Any collar is allowed on the grounds except scent spraying collars. Only a flat, or martingale collar or leashes attached to a dead ring or harness are permitted to be used during a search. No tags on collars while searching. All dogs must be leashed at all times, except during an off-leash search.

Crating Climate controlled (air conditioned!) indoor crating is available at this location site!!! Please bring your own crate. No tarp is required for under crates. There is a very large crate area, so we will have a separate area for dogs who need a little more space, plus a separate area for noisier dogs. If your dog is not quiet in a crate, please choose the appropriate crate area, and plan to cover your crate or bring something to keep visual stimulation to a minimum. If you would prefer to crate in your car outside, make sure you bring fans, shade cloths, etc. to keep your dogs comfortable.

Parking: We have plenty of parking. Please watch for cones and signs to parking area. Since most people will be crating inside, we won't specify a reactive dog parking area. If you choose to crate outside – there may be some covered areas available. More details will be in confirmation letters.

Spectators are invited to come and watch a PSD trial as long as the search areas are large enough to accommodate.

Volunteers will help our Trial run smoothly. We need Timers, Gate Stewards, Score Runners, and Others. No Experience Required! No need to give up a day-volunteers get to run first in their class. Thanks in advance for your help. Lunch will be provided to those that volunteer.

Donations: Leaps & Bounds supports Chase Away K9 Cancer. We will have a raffle basket each day, and will have raffle tickets available to support research towards something that so many of us have personal experience with.

Food Snacks will be provided and lunch will be provided to those that volunteer. You should plan to bring your own lunch, drinks and snacks. If you need to go out for lunch, there is a Subway very close by and multiple fast food places not far – but we may need to limit people leaving until all morning searches are over as leaving may be in view of exterior search areas.

Facility, Bathrooms and Water Climate controlled, water and toilets available on site.

Accessibility No stairs or steps for entry. There are stairs in certain search areas. Email the TS for more information.

Dogs In Need of Space The site has plenty of parking and places to walk dogs at a distance of 10 feet or more. There is a single entrance and exit for interior searches that could be congested. Volunteers will be onsite to help escort participants to and from the search area. Red bandanas are encouraged - please give **all** dogs space.

Handler running multiple dogs A handler can run multiple dogs in TOTs at any trial/match. At this trial, a handler may only run one dog in each class. A second or third dog can run FEO.
