Come and have FUN with your dog!

Who can compete in a trial? Any and all dogs that are 10 months or older, on the day of the trial or the Target Odor Test (TOT), are eligible to compete. All dogs must have their current rabies vaccination and other vaccinations recommended by your veterinarian.

Do I Need to Register with PSD? PSD registers dogs not people. A \$30 registration fee is good for the lifetime of the dog and can be done instantly on-line.

What if I don't pass the TOT? You can still play!! Dogs must pass a Target Odor Test (TOT) in order to compete in the Standard Division, however if you do not pass you are still allowed to enter the trial as FEO (For Exhibition Only) for the day.

My dog has a Nose Work title from a different organization, do I have to pass a TOT? If you already have passed an odor test in another scent work organization, you do not have to take the TOT. Dogs with a NW3, SDDA Excellent, UKC Level 5 or AKC Excellent overall title may skip the Novice level and

start PSD at the Advanced level. Please send a copy of your test results to info@performancescentdogs.com in order to register.

Can I watch other competitors? Due to COVID, spectators will not be allowed at this trial.

Can my friend videotape my searches? Due to COVID, videotaping will not be allowed at this trial. However, permission has been granted for handlers to use a Go Pro or similar device during their searches.

If the weather is cold, bring what you need to keep you and your dog warm in the vehicle. The parking lot is very small so there will not be any room for tents. Dogs must be crated or kept comfortably in your vehicle while not running or pottyng.

Parking: There will be signs and/or someone to direct you to the parking area. Please watch for cones or signs indicating an area is off limits for parking-it may be a search area.

Accessibility: The parking lot is a rough dirt/gravel lot. The pathways and search areas may require you to navigate gravel roads, dirt pathways in the woods and rough terrain in wooded areas. There are steps to enter the Lodge, which will be used for some searches. There may be searches on the 2nd floor of the Lodge. The only way to access the 2nd floor is a stairway. The search areas and parking are spread out so there may be long walks to the search areas that will involve moderate elevation changes.

Dogs In Need of Space: Red bandanas are encouraged - *please give all dogs space.*

Dogs in Season: Females in season may participate wearing appropriate britches at all times except in the toileting areas. Females in season will run after the last dog in each search area. Handlers must notify the club as soon as possible so accommodations may be made for toileting areas and run order adjustments.
