Waggin Trails Training reserves the right to remove any individual for any reason from the premises. Dogs must be kept on leash, crated or safely confined in the vehicle at all times (not in a chair, not in a mat, not alone anywhere, not in a hat) (unless on a search that is approved to be leash optional).

Collars Any collar is allowed on the grounds except electronic or scent spraying collars. Only a flat, or martingale collar or leashes attached to a dead ring or harness are permitted to be used during a search. **No tags on collars while searching.** All dogs must be leashed at all time, except during an off-leash search. Flexi-leads are acceptable on trial grounds **unless** you are found to not be paying attention to spatial needs of other dog teams. You must remain vigilant so all teams may have a pleasant experience.

Parking Plenty of parking. Please watch for cone or signs indicating an area is off limits for parking-it may be a search area.

Volunteers will help our Trial run smoothly. We need Timers, Gate Stewards, Score Runners, and Others. No Experience Required! Please contact the Volunteer Coordinator, Martha Campbell, by email to sign up (kcans@comcast.net) for the volunteer job of your preference. Thanks in advance for your help.

Dogs In Need of Space (DINOS) are welcome. The site has plenty of parking and places to walk dogs at a distance of 12 feet or more. Volunteers will be onsite to help escort participants to and from the search area. All persons should be sensitive and respectful to all dog's spatial needs. A red bandana is preferred for dogs in need of extra space.

Handler running multiple dogs A handler can run multiple dogs in TOTs at any trial. In this trial a handler can run one dog at the Novice, Advanced and Excellent level. Additional dogs in the same class may be entered to run FEO.

Who can compete? Any breed, purpose bred, mixed breed, or dog of unknown breed 10 months or older on the day of the trial or Target Odor Test (TOT) is eligible to enter. Dogs with disabilities are welcome. Please review the rules for proper steps to enter dogs with disabilities.

What if I don't pass the TOT? You can still play!! Dogs must pass a Target Odor Test (TOT) in order to compete in the Standard Division, however if you do not pass you are still allowed to enter the trial as FEO (For Exhibition Only) for the day.

My dog has a title from a different scent detection organization (i.e. Nose Work), do I have to pass a TOT? If you already have passed an odor test in another scent work organization you do not have to take the TOT. In addition, dogs with a NW3, SDDA Excellent or UKC Level 5 title may skip the Novice level and start PSD at the Advanced level. Please send a copy of your test results to PSD when registering to enter the trial.

Do I have to compete in every class at every trial?: Dogs do not have to compete in all classes to participate in the trial.

If I successfully title in one class, must I stay in that class level until all 5 classes are finished at that level? When successfully completing one class title, you may move up to the next class level. You are not required to complete all classes first. For example, you finish title requirements in Containers but not in Distance. You may move up to Advanced Containers while continuing to compete in Novice Distance.

Can I watch other competitors? Yes, you can watch, either after you run or you can watch a different level compete.

Can my friend videotape my searches? Yes! And you may post them anywhere you like once the class is over.
